To whom it may concern:

I am writing pursuant to my rights under Minnesota Statutes section 325M.14, subd. 1(g) regarding your recent profiling decision that was made using the personal data concerning me, my child, or a person for whom I am an authorized agent. Specifically, I write regarding the following profiling decision:

This request is submitted regarding the following person's data:

Name	
Home address	
Phone number	
Email address	
Username	
Account number or identifier	

I ask that you provide the following information:

A full explanation of the reasons that the profiling resulted in this decision.

A description of what actions I, my child, or the person for whom I am an authorized agent might have taken to secure a different result.

A description of what actions I, my child, or the person for whom I am an authorized agent might take in the future to obtain a different result from the profiling.

A copy of the personal data you used in the profiling action.

I would also like to contest and request review of the outcome of this profiling action and/or opt out of profiling in furtherance of these decisions in the future.

I am making this request pursuant to the Minnesota Consumer Data Privacy Act, Minnesota Statutes sections 325M.10-325M.21 and the terms used herein should be construed as those terms are used in that Act.

Please send a response within 45 days consistent with your obligations under Minnesota Statutes section 325M.14, subdivision 4.

Thank you,
